School Days Year 1

Essential Knowledge

By the end of this unit children will...

- Compare modern day school and schools in the past, identifying similarities and differences.
- Create a time line and order photos of the school.
- Look at their local environment and identify the key features of the school.
- Be able to identify and describe differences between old and new schools.
- Know by heart a range of playground songs and rhymes.
- Identify and name a variety of common plants, including garden plants, wild plants and trees.

Launch

School memories — invite members of the community to share recollections of own school life.

Explore

Find out about playground rhymes and games that children played in the past.

Energise

Trip to museum of Victorian Classroom experience

Celebrate

Come and Share event — inviting parents to celebrate work and see a Victorian lesson in action!

</table>

**Spiritual**
- Can you write a class prayer?
- What are you thankful for at school?

**Moral**
- Why do we need rules and routines?
- Should all children be able to go to school?

**Social**
- Can we work together?
- Why do we need rules and routines?
- What are your strengths?

**Cultural**
- Compare the differences between schools around the world.

### School Days Year 1: Theme Content

#### Foundation Subjects

**History, Geography and Citizenship**

**History:**
- Children compare modern day school and schools in the past, identifying similarities and differences.
- Children create a time line and order photos of the school.

**Geography:**
- Children look at their local environment and identify the key features of the school.

#### Art and Design and Design Technology

**Art:**
- Children draw and paint their self-portraits, selecting appropriate colours and adding detail to work.
- Children create a pastel picture of the school in the style of LS Lowry.

**Design and Technology:**
- Children design and build their ideal school.

#### Music, Languages and Physical Education

**Music:**
- Sing a range of playground songs and rhymes.

**PE:**
- Children try and take part in a variety of playground games.

#### Computing
- Children develop word processing skills to produce work about their school.
# School Days Year 1: Links to National Curriculum Framework

## Core Subjects:

### English
- To use subject specific vocabulary to explain and describe.
- Suggest words and phrases appropriate to the topic being discussed.
- Use some of the characteristic features of a recount, a set of instructions and a letter.
- To talk about things of personal interest.
- Plan by talking about ideas.

### Mathematics
- Interpret and construct bar charts.
- Ask and answer questions about data.

### Science
- Identify and name a variety of common plants, including garden plants, wild plants and trees and those classified as deciduous and evergreen.

## Foundation Subjects

### History, Geography and Citizenship

#### History:
- Observe and handle evidence to ask questions about the past.
- Ask questions such as: What was is like for people? What happened? How long ago?
- To place events in order on a time line.
- Label time lines with words or phrases such as: past, present, older, newer.

#### Geography:
- Use simple fieldwork and observational skills to study the geography of the school and the key human and physical features of the environment.

### Art and Design and Design Technology

#### Art:
- Respond to ideas and starting points.
- Draw lines of different sizes and thickness.
- Add white or black to colours to make tints or tones.

#### Design and Technology:
- Design products that have a clear purpose and an intended user.
- Suggest improvements to existing designs.

### Music, Languages and Physical Education

#### Music:
- To take part in singing accurately and identify the beat of a tune.

#### Physical Education:
- Use running, jumping, throwing and catching skills in combination.

### Computing
- To communicate ideas, work and messages.
