UNIT 27
Practising horizontal join, no ascender, to an anticlockwise letter: joining \( w \alpha, w \omega \)

Trace and write the joined letters. Say the sounds.

\[ \underline{w\alpha} \, \underline{w\omega} \]

Sort the words into sets. Remember to join!

\[ \underline{wa} \]

\[ \underline{water} \, \underline{work} \]

\[ \underline{worm} \, \underline{want} \]

\[ \underline{walk} \, \underline{would} \]

UNIT 28
Introducing horizontal join to ascender: joining \( oßl, oßt \)

Trace and write the joined letters. Say the sounds.

\[ \underline{oßl} \, \underline{oßt} \]

Finish the words. Remember to join!

\[ \underline{h} \, \underline{c \, d} \]

\[ \underline{p} \, \underline{g \, d} \]
